

Fort Financial Business Account members,

We value the trust you place in Fort Financial to assist you with your business banking needs, and we're excited to share that you now have access to a new service – Merchant Services.

We have partnered with a Fort Wayne-based payment processor to offer this new service. With it, you can expect:

- Reliable, cutting-edge technology to save you valuable time
- Next day funding for quick access to your money
- Easy access to a support team should you need assistance
- Competitive pricing to put more money back into your business

We are excited about this new opportunity to serve your payment processing needs. If you are interested in learning more, please contact us.
